#### **Public Education**

#### State Board of Education - State Charter School Board

41. It is the intent of the Legislature that the State Board of Education use the funds reallocated from the Utah State Office of Education for two full time equivalent (FTE) employee positions at the Education Specialist level to provide staff support to the State Charter School Board in the following areas: technical assistance to charter school applicants, federal grant writing, performance outcome assessment, and financial performance oversight.

#### State Board of Education - Fine Arts and Sciences

- 42. It is the intent of the Legislature that the Fine Arts and Sciences Professional Outreach Programs in the Schools (POPS) program not be expanded to include additional professional organizations in FY 2006 and that the organizations participating in the program in FY 2005 continue to receive the same level of funding in FY 2006 as long they continue to provide the same level of service and meet the program requirements established by the Board.
- 43. Further, it is the intent of the Legislature that the State Board of Education report to the Education Interim Committee and the Executive Appropriations Committee prior to November 30, 2005 on the Board's long term goals for the programs in the Fine Arts and Sciences line item. The Legislature requests that the Board include the following in its report: (1) how well the programs offered by current participating organizations align with the core curriculum; (2) specific areas in the fine arts and science core curricula that may not be served by professional outreach programs; and (3), potential long term growth and huding needs of the program.

# Transportation & Environmental Quality
